COLLEGE OF PHYSICIANS & SURGEONS OF ONTARIO

Announcement for the Academic Year 1913-1914

"THE COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO" is the name adopted by the Medical Profession of the Province of Ontario in its corporate capacity. As every legally qualified medical practitioner in the Province is a member of this College, it is not an institution for the teaching of medicine.

The Medical Profession of Ontario was first incorporated under this name by an Act of Parliament of Canada, passed in 1866. This Act was subsequently repealed by the Legislature of Ontario in 1869, and now the affairs of the Profession in this Province are regulated by an Act passed in 1874 (37 Vic., Cap. 30), commonly known as the "Ontario Medical Act," and further amended in 1887, 1891, 1893, 1895, 1902, and 1905.

By this Act, the "COUNCIL OF THE COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO" is empowered and directed to enact

ANNUAL ANNOUNCEMENT.

by-laws for the regulation of all matters connected with medical education: for the admission and enrolment of students of medicine: for determining from time to time the curriculum of the studies to be pursued by them, and to appoint a Board of Examiners, before whom all must pass a satisfactory examination before they can be enrolled as members of the College, and thus be legally qualified to practise their profession in the Province of Ontario.

The Council, moreover, has power and authority conferred upon it by this Act to fix the terms upon which practitioners of medicine, duly qualified in other countries, may be admitted as members of the College of Physicians and Surgeons of Ontario, this being the only mode in which they can become legally entitled to practise their profession in this Province.

For the information and guidance of students of medicine, the Profession, and the public generally, the Council, in conformity with the Ontario Medical Act, hereby promulgates for the year 1913-1914 the REGULATIONS which herein follow, repealing all others heretofore in force.

All changes in the medical curriculum shall take effect at the next ensuing annual examinations.

ANNUAL ANNOUNCEMENT.

Be it therefore enacted that:

The Council shall hold one session annually in the City of Toronto, commencing on the first Tuesday in July, 1912, at the hour of two o'clock in the afternoon. The Executive Committee may at any time call a special session, and it shall be the duty of the President to call a special session upon receiving a requisition on that behalf, signed by not less than one-half of the members of the Council. No business shall be taken up at a special session except that for which the session has been called, and of which each member has been notified.

SECTION 2.—OFFICERS.

1. The Officers of the Council shall be a President, Vice-President, Registrar, Treasurer, Public Prosecutor, Auditor and Solicitor, and such others as the Council may deem necessary.

ANNUAL ANNOUNCEMENT.

2. The officers shall be elected after nomination by open vote, the vote being taken on the nominees in the order in which they were nominated. In case of a tie the presiding officer shall give the casting vote, provided that at the first meeting of a new Council the tie for the office of President shall be decided by the member present representing the greatest number of registered practitioners. When only one candidate is nominated it shall be the duty of the presiding officer to declare him duly elected.

SECTION 3—ORGANIZATION.

1. At the first meeting of the new Council the Registrar shall call the Council to order, read over the names of the members, and shall call on the Council to elect a Committee on Credentials, and upon the reception and adoption of the Committee's Report the Registrar shall call upon the Council to elect a President. At all other annual sessions of the Council the President (and in his absence the Vice-President) shall take the chair and preside at the election of officers. In the absence of both these officers the Council shall elect a Chairman.

2. The first business after the organization of the Council and the election of officers shall be the appointment of a Committee to nominate the Standing Committees.

SECTION 4—COMMITTEES.

1. The Standing Committees shall be the following:

- (a) Registration, consisting of five members.
- (b) Education, consisting of nine members.
- (c) Finance, consisting of five members.
- (d) Rules and Regulations, consisting of seven members.
- (e) Printing, consisting of five members.
- (f) On Complaints, consisting of five members.
- (g) On Property, consisting of five members.

And the following Statutory Committees:

- (h) Executive, consisting of three members.
- (i) On Discipline, consisting of not less than three members.

ANNUAL ANNOUNCEMENT.

2. The President and Vice-President shall be *ex officio* members of all committees of the Council, standing and special, except Committee on Discipline and Executive Committee.

3. A majority of the members of any committee shall constitute a quorum providing that the said quorum be not less than three members.

SECTION 5—RULES OF ORDER.

1. The President shall preside at all meetings (except as otherwise directed in clause 2 of section 2), call the Council to order at the hour appointed, cause the minutes of preceding meeting to be read, confirmed and signed.

2. In the absence of the President, the Vice-President shall discharge the duties of the President, and in the absence of both a Chairman *pro tem* shall be chosen by the Council.

3. The presiding officer shall preserve order and decorum during each session of the Council, and protect the members in the enjoyment of their rights and privileges. He shall decide all questions of order, giving his reasons for such decision, and citing the rule applicable to the case, subject, however, to an appeal to the Council, and in case of an appeal it shall be put by the presiding officer in the following words: "Shall the chair be sustained?"

4. All questions of order upon which an appeal has been made from the decision of the presiding officer shall be decided by a direct vote of the Council, without debate.

5. The presiding officer shall declare all votes: but, if any members demands it, such presiding officer, without further debate on the question, shall require the members voting in the affirmative and negative, respectively, to stand until they are counted, and he shall then declare the result. At the request of any two members the yeas and nays shall be taken and recorded.

6. The presiding officer shall not give any other than a casting vote, but he may express his opinion on any subject under debate, and when so doing he shall leave the chair.

ANNUAL ANNOUNCEMENT.

7. The presiding officer shall consider a motion to adjourn as always in order: but no second motion to the same effect shall be made until after some intermediate business has been transacted. This motion must be put without debate.

SECTION 6—MEMBERS SPEAKING.

1. When any member is about to speak in debate he shall rise in his place and address the presiding officer, confining himself to the question under debate, and avoiding personalities.

2. When two or more members rise at the same time the presiding officer shall name the member who is first to speak.

3. No member, while speaking, shall be interrupted by another, except upon a point of order, or for the purpose of explanation. The member so rising shall confine himself strictly to the point of order, or the explanation.

4. If any member, in speaking or otherwise, transgress the rules, the presiding officer shall, or any member may, call him to order, in which case the member so called shall immediately sit down, unless permitted to explain.

5. No member shall speak more than once upon any motion, except the proposer of the substantive motion, who shall be permitted to reply; nor shall any member speak longer than a quarter of an hour on the same question without the permission of the Council, except in explanation, and he must then not introduce new matter.

6. Any member of the Council may require the question under discussion to be read at any time of the debate, but not so as to interrupt the speaker.

7. When the matter under consideration contains distinct propositions, under the request of any member, the vote upon each proposition shall be taken separately.

8. No member shall speak to any question after the same has been put by the presiding officer.

ANNUAL ANNOUNCEMENT.

9. Notices shall be given of all motions for introducing new matter other than matters of privilege and petitions at a previous meeting to that at which it comes up for discussion, unless dispensed with by a two-thirds vote of the members present. Any matter when once decided by the Council shall not be reintroduced during that session, unless by a two-thirds vote of the Council then present.

10. A motion must be put in writing and seconded before it is stated by the presiding officer, and then shall be disposed of only by a vote of the Council, unless the mover, by permission of the Council, withdraws it. Every member present shall vote unless excused by the Council.

11. At the close of the annual session the minutes of the last meeting shall be read, approved and signed by the presiding officer.

12. In all cases not provided for by these rules, resort shall be had to the procedure of Parliament.

13. The Registrar shall make a list of all motions and reports on the table, in the order in which they were received, which shall be considered the "General Orders of the Day." The order of the same to be as follows:

Dr. Griffin then presented and read the report of the Discipline Committee re Dr. Albert W. Stinson, and moved, seconded by Dr. MacColl, that the same be adopted.

The President put the motion, which, on a vote having been taken, was declared carried and the report adopted as follows:

The President and Members of the Council, College of Physicians and Surgeons of Ontario, 170 University Avenue, Toronto:

Gentlemen,—

The undersigned Committee, duly appointed by by-law for the purposes of Section 35 of the Ontario Medical Act, were by resolution passed by the Executive Committee of the Council on 3rd February, 1913, directed to enquire into and ascertain the facts of the case of Albert W. Stinson, who was a duly qualified and registered medical practitioner until his name was erased from the Register by act of the Council on the 4th day of July, 1912.

The said action by the Executive Committee was taken pursuant to the judgment of the Divisional Court of the High Court of Justice of the Province of Ontario, dated 30th day of December, 1912, whereby the matter was referred back for further inquiry.

Notice of the charges which formed the subject matter of the inquiry and of the time and place appointed to hear the evidence in support of the said charges was duly served on the said Albert W. Stinson by registered letter in accordance with the provisions of 10 Edw., c. 77, s. 3, and copy of such notice is hereto appended as Schedule "A."

ANNUAL ANNOUNCEMENT.

Your Committee duly met in pursuance of such notice at the Town Hall at Cobourg at the hour of 2 o'clock in the afternoon, and the said Albert W. Stinson appeared and acted as counsel on his own behalf, with the advice and assistance of his solicitor.

Objection was taken by Dr. Stinson to the constitution of the Committee as not being the Committee appointed by the Council. This objection, having been obviously taken in error, was over-ruled.

Objection was also taken to service of the notice of meeting upon the ground that by a clerical error the notice first served specified the time of the meeting as 2 o'clock in the forenoon.

This error having been corrected by registered letter and subsequently by service of an identical notice stating the correct time as 2 o'clock in the afternoon, duly served within the time limited and in the manner provided by the Act, this objection was also overruled.

The Committee then proceeded with the inquiry and, after hearing evidence and arguments both on the part of Dr. Stinson and counsel for the College, an adjournment was made until the 29th day of April at the Registration Office of the College in the city of Toronto, when the Committee duly met in pursuance of such adjournment, and after consideration and discussion of the evidence determined as follows:

The evidence of Dr. Stinson conflicts with the evidence of the witnesses Dale and Johnson.

The evidence of the witnesses Dale and Johnson was strongly corroborated.

As to the witness Dale, an attempt was made to discredit her evidence by presenting the evidence of one witness that he would not believe her upon oath, but after consideration of the evidence and with special regard to the demeanor of the witnesses and the said Albert W. Stinson, the Committee reached the unanimous conclusion that the evidence of the witnesses Dale and Johnson must be accepted where such evidence conflicts with that of Dr. Stinson.

The Committee have ascertained and report the following facts:

1. That in the month of August, 1909, one Emma Dale, being then pregnant, applied to Dr. Albert W. Stinson first by letter

and afterwards personally and requested him to operate upon or treat her for the purpose of procuring an abortion.

2. That the said Albert W. Stinson agreed with the said Emma Dale to procure such abortion in consideration of the sum of \$15, which she paid to him.

3. That on or about Friday, the 13th day of August, 1909, and again on or about Saturday, the 14th day of August, 1909, and again on or about Saturday, the 23rd day of August, 1909, the said Albert W. Stinson operated upon the said Emma Dale with an instrument for the purpose of procuring an abortion.

4. That in or about the month of March or April, 1909, the said Albert W. Stinson used an instrument on one Inez Johnston for the purpose of procuring an abortion.

5. Your Committee therefore report that the charges against the said Albert W. Stinson were substantially proved, as stated in the said notice.

Toronto, Ont., April 29th, 1913.

H. S. GRIFFIN.

Chairman of Com.

A. E. MACCOLL,

JAMES MACARTHUR.

The undersigned member of the Committee, having been unable to attend the meeting of the Committee on April 29th, 1913, hereby expresses his concurrence in and approval of the above report.

Dr. Spankie then presented and read the report of the representatives to the Medical Council of Canada, and moved, seconded by Dr. Gibson, that the report be adopted.

The President put the motion, which, on a vote having been taken, was declared carried and the report adopted as follows:

Toronto, 3rd July, 1913.

To the President and Members of the Council of the College of Physicians and Surgeons of Ontario:

Gentlemen,—

As your representatives on the Medical Council of Canada we beg to report as follows:

The first meeting of the Dominion Medical Council was held at Ottawa in November last, and was continued for three days, during which time organization was effected, officers elected and a Constitution drafted.

ANNUAL ANNOUNCEMENT.

For various reasons it was necessary to adjourn this meeting till June 17th of this year, when the Council resumed and completed its work.

The Parliament of Canada placed the sum of fifteen thousand dollars to the credit of the Council, and gave its assent to our Constitution, Rules and Regulations.

The Register of the Council was opened on July 1st, 1913, and members of the profession in any Province may register under the ten-year clause by producing the necessary credentials and paying the fee of one hundred dollars. It is, of course, optional with the several Provinces to admit these men without further examination.

Dr. R. W. Powell, 180 Cooper St., Ottawa, Ont., is Registrar, and will be glad to furnish information to intending applicants.

The Council appointed a Board of Examiners, and the first examination will be held at Montreal in October next.

Those who pass this examination will be entitled to registration in any Province without further examination on producing the Dominion Council certificate and paying the usual Provincial fee.

It is provided that students who are eligible for the final examination in any Province may, on producing a certificate to this effect from the Registrar of the Council of that Province, take the Dominion Council examination. It will, therefore, be necessary for each Provincial Medical Council to instruct its Registrar regarding such certificate and the fee necessary for the same.

Practitioners of ten years or more may register with the Dominion Council, but this registration does not carry with it the right to register in any Province of the Dominion without further examination if the Council of any Province is not satisfied with this period of years. It will, therefore, be necessary for this Council to pronounce on this point and instruct the Registrar accordingly.

A copy of the Constitution, Rules and Regulations relating to registration under the Canada Medical Act, and the examination for the license of the Medical Council of Canada is attached to this report.

All of which is respectfully submitted.

(Signed) W. SPANKIE,
R. J. GIBSON.

ANNUAL ANNOUNCEMENT.

The following resolution was then moved by Dr. Spankie, seconded by Dr. Gibson :

Whereas it is provided by the Constitution, Rules and Regulations of the Medical Council of Canada that students who are eligible for the final examination for the license in this Province may take the examination of the Dominion Medical Council on producing from the Registrar of this Province a certificate to the effect that they have complied with the requirements here, and

Whereas, it will be necessary for our Registrar to examine the certificates of such students in the same way as if they were taking our provincial examination,

Therefore, be it Resolved, That our Registrar be instructed, and is hereby instructed, to issue such certificates to those applicants for the same who are entitled to receive them and that the fee for this certificate be \$25.00. Carried.

The following resolution was moved by Dr. Spankie, seconded by Dr. Gibson :

Whereas, it is provided by the Constitution, Rules and Regulations of the Medical Council of Canada that practitioners of ten or more years' experience in any Province of Canada may register with the Dominion Medical Council;

Whereas, such registration does not necessarily carry with it the right to register in any Province unless the Council of such Province is satisfied,

Therefore, be it Resolved, That this Council hereby instruct our Registrar to accept Dominion Registration as full qualification for license in Ontario, subject only to the production of the necessary credentials and payment of the usual fee.

On motion of Dr. Spankie, seconded by Dr. Gibson, the following was inserted in the Annual Announcement under Section IV.: "That qualified licentiates in the College of Physicians and Surgeons of Ontario, in good standing, are required to pay a fee of (\$5) five dollars" for the necessary credentials to be furnished by the Registrar to practitioners of ten or more years' experience who desire to register with the Dominion Medical Council.

It was moved by Dr. Ferguson, seconded by James MacCallum, that the following be added as Clause f, Para 1, Section IV, under "Fees," in the Announcement of 1913: "Fee pay-

able for Certificate of Registrar re eligibility of candidates for examination of the Dominion Medical Council (\$25) twenty-five dollars."

Dr. MacColl presented and read the report of the Registration Committee and moved, seconded by Dr. Varden, that the report be adopted.

The President put the motion, which, on a vote having been taken, was declared carried, and the report adopted as follows:

Toronto, Ont., July 3rd, 1913.

To the Members of the Council of the College of Physicians and Surgeons of Ontario:

Gentlemen,—

Your Committee on Registration begs leave to report, with reference to the application of Cecil R. Miller for registration as a matriculated student, that he shall obtain registration as provided in Section 1, Clauses 1, 2, 3, 4 and 5 of the Annual Announcement.

It is suggested that he communicate with a Canadian university or the Education Department for a standing in conformity with the sections referred to.

Re application of W. S. Proderick. The Registration Committee recommends that as this Council put no barrier in the way of the candidate in completing his examination in accordance with the conditions required of candidates between the time when he failed in his primary examination in 1901, and the adoption of the present examination regulation in 1912, that his examination standing being still incomplete it is incumbent upon the applicant to comply with the present regulations in that respect.

It is accordingly recommended that he shall, however, be required to take the present final examination of this Council to qualify for registration.

All of which is respectfully submitted.

A. E. MACCOLL,
Chairman.

ANNUAL ANNOUNCEMENT.

On motion of Dr. MacArthur, duly seconded, a hearty vote of thanks was passed to Dr. Spankie and Dr. Gibson for their able work in connection with medical reciprocity.

The building and the grounds are in good repair and have been carefully looked after. The Committee feel that the present occupancy of Mrs. and Miss Rose should be continued as being an arrangement which is working very well.

The furniture is in good repair.

All of which is respectfully submitted.

ARTHUR JUKES JOHNSON,

To the President and Members of the Council of the College of Physicians and Surgeons of Ontario:

Gentlemen,—Your Committee, appointed to deal with prosecutions and infractions of the Medical Act, beg to report that during the year several meetings were held and a number of cases considered, and the Prosecutor was given instructions when necessary in each case.

The last Prosecutor employed by the Council has not left any report of the work done by him during the past year, but has left some books and papers, which are in the safe of this College. Your Committee is not in possession of any memorandum of the moneys received by this Prosecutor, nor of the expenses he incurred.

These matters passed out of the hands of this Committee into those of the Executive Committee, your Committee finding that they were not in a position to deal with the situation.

All of which is respectfully submitted.

REPORT OF FINANCE COMMITTEE.

July 3rd, 1913.

To the Members of the College of Physicians and Surgeons of Ontario:

Gentlemen,—Your Committee desire to congratulate the Council on the fact that this year's work shows a deficit of but \$810.57.

The Auditor has pointed out in his report that a considerable sum is owing on assessment dues. We would draw attention to the fact that although the number of registered practitioners has increased, the income from assessment dues has fallen from \$6,027 in 1908-9 to \$4,740 in 1912-13. There are now in the register 2,928 members. Being informed that there are many practising whose names are not on the register or are entered as of unknown address, we recommend that the Council take cognizance of this condition of affairs and that the Registrar be instructed and is hereby instructed to take immediate steps to collect arrears of over two years' standing and to consult all available directories and other sources of information to get the names and addresses of all active practitioners in the Province of Ontario.

In view of the valuable services rendered by Miss Rose during the illness of our Registrar, we recommend that she be given an honorarium of one hundred dollars (\$100), and that her salary be increased to fifteen dollars per week.

The sessional indemnity we recommend to be the same as that of last year.

The communication of Dr. H. S. Murray concerning his assessment dues has been considered by us and we would recom-

All of which is respectfully submitted.
